

UNIFORM LIST

Uniform at Birkdale is intended to be distinctive, but of a straightforward design, with a careful balance being maintained between quality and economy.

Items marked ** are only obtainable from the School Shop. Items marked * may be obtained elsewhere but are also stocked by the School Shop.

The School Shop is situated in the Oakholme Building at the Senior School. It is open Monday - Friday during term-time from 12.45pm - 4.45pm. During the summer holiday period there is some additional opening, details of which may be obtained from the shop. The direct telephone number of the shop is: **0114 229 6611**.

Purchases may either be charged to the parental billing account or paid for at the time of purchase. If the latter, please note that we are unable to accept cash (for security & insurance reasons) or payment by debit/credit card; i.e. payment at the time of purchase may only be by cheque.

All pupils must have all their garments (including underclothing) clearly marked with name tapes to reduce loss and discourage indiscriminate borrowing. Shoes may be marked with a name tape attached with a special adhesive, and football boots with a hot skewer.

It is hoped that the descriptions overleaf are clear but if there is any doubt, then parents should seek guidance from the School. Your full co-operation in complying with this list will be greatly appreciated, as it is often the loose interpretations and "marginal" fashions which cause the greatest problems with overall appearance and tidiness.

PREPARATORY SCHOOL
