

GAMES BAG

The Nepal Product Group is a small business enterprise run by fifteen dedicated sixth form pupils. NPG's business objective is to raise the necessary funds required to support the educational costs associated with sending up to thirty children of the Leprosy Colony to their newly built New Flower Field English School. The children need support to pay for their school lunches, supplies, uniforms, tutors, medicine and equipment. Without support they will not have a chance to go to school. The **GAMES BAG** will be made by Nepalese workers living beside the Leprosy Colony. All proceeds from the sale of the **GAMES BAG** will be directly given to the Leprosy Colony.

The Nepal Product Group would like to thank you for supporting our charity related enterprise efforts.
