

This Week in PP1

PP3 have written non-fiction books and they came to read them to PP1. It was wonderful to listen to all the amazing animal facts they told us.

PP1 also made postcards, which we sent to their mums and dads. This linked to our work on Katie Morag.

Nearly New Uniform Sales

Mrs Sharp would like to thank parents, on behalf of FOBS, for the donations of used uniform and for the support of parents purchasing used uniform. The amazing amount of £483 was raised from this week's sale, which is a tremendous help towards FOBS funds. Thank you!

PP2 Visit to the Jubilee Centre

As part of our current Geography topic, PP2 went to the Jubilee Centre to look at the flags on display. These represent the people from different nations who have made Sheffield their home. The

boys were excited to spot flags they already knew and enjoyed the challenge of using their atlases to identify flags they didn't know.

Message from Mr Burch

It has been a fantastic week with Prep 3 in The Lakes. The boys threw themselves into all the activities challenging themselves and supporting each other really well.

There are so many events happening over the coming weeks please do keep checking your BirkdalePost emails on a daily basis.

P2 English

Prep 2 boys have been playing board games that they made based on the class reader *How to Train Your Dragon*.
