

Cross-Country News

There was a fantastic turnout for the first Cross-Country meet of the season at Bolehill Park last Saturday. What a performance by Birkdale, with Will Clark winning his age group.

Harry Welch was first to finish for Birkdale in

the older age group. With so much talent, Birkdale has an exciting Cross Country season ahead!

European Day of Languages

We've already had some fantastic entries into our European Day of Languages building competition! We would love to have more models and pictures before we celebrate European Day of Languages Thursday 26 September! Please see BirkdalePost for more details.

Message from Mrs Kitchen

In Pre-Prep, we offer a wide range of activities during break times including Christian Union, Maths Fun, Jumping Jacks and Construction Club. The aim is for the boys to come together and have some fun with their friends while taking a break from their lessons. Teachers remind the boys every day of the clubs on offer and there is no need to sign up.

Message from Mr Burch

Now that we are in week three of term, it is fantastic to see just how many children are getting involved in and enjoying the huge number and variety of activities and clubs that we offer. Thank you for your wonderful support for the family BBQ; it is so encouraging to see so many families purchasing tickets and attending.

Delicious Home Grown School Lunches

The Prep Gardening Club have been working hard, helping the kitchens to feed us fresh vegetables. They have harvested some home grown chard, which our wonderful kitchen staff have made into a delicious salad. You can't get more local than that!

Measuring in PP2

The boys in PP2 have been practising their measuring skills in the beautiful autumn sunshine, learning to order and sort items by size.

Prep School Charity

YOUNGMINDS

We are delighted to announce that this year's Prep School Charity of the Year will be Young Minds. Young Minds is a charity that is leading the fight for a future where all children and young people get the best possible mental health support and have the resilience to overcome life's difficulties. We will be organising a number of events across the School Year in support of this worthy charity. Watch this space for more details later this term.

If you would like to know more about Young Minds, their excellent website can be found at; <https://youngminds.org.uk/>

Harvest Festival

At Birkdale, we celebrate Harvest by giving thanks for all we have and by giving to those in need. Our Harvest Assembly will be on Monday, 30 September in the Prep School Hall at 9.00 am and we will be collecting harvest produce to support the Parson Cross Food Bank. We will be collecting non-perishable food from Monday 23 September to Friday 27 September. Please see BirkdalePost for further details.
