

DT in Prep 2

Fantastic work from Zoubin in Prep 2 who has been making a desk tidy in DT lessons. Miss Frewin admires the work but is not sure about the football team!

Prep 2 Create Their Own Fantasy Worlds

In English lessons this week, Prep 2 have been designing their own fantasy settings in preparation for writing fantasy stories. William has drawn this amazing castle with a flying, fire-breathing dragon. We can't wait to read the story!

Homework Horrors for Prep 4!

Prep 4 have been writing newspaper articles about various catastrophes. These particular catastrophes seem to have stopped the children handing in their homework! It has been amazing to see how creative the pupils have been in thinking up excuses!

Famous Mathematicians

Prep 3 have been researching famous mathematicians in their Maths lessons! They have found some fantastic and inspirational people to learn about.

Famous Mathematicians

Katherine Johnson

Born: 26 August 1918, White Sulphur Springs, West Virginia, USA
Died: 24 February 2020, Newport News, Virginia, USA

Katherine Johnson calculated trajectories for NASA, including for the space flight of the first US astronaut in space. She checked the computer calculations for John Glenn's orbit around earth and helped to calculate the trajectory for the Apollo 11 flight to the Moon in 1969.

Katherine was a pioneer in the use of computers to perform mathematical calculations. As a woman and an African American, it was harder for her to do her job and she had to be very determined.

In 2015, President Obama awarded Katherine the Presidential Medal of Freedom which is the most important award in the USA.

Pre-Prep 2 Learn About Alliteration and Penguins!

As part of their Art work linked to Science, PP2 were asked to draw, paint or make a penguin. Here is Alani's amazing creation, Mrs Penguin. It is made from papier mache and a variety of different materials, including real feathers.

Pre-Prep 2 have also been practising alliteration.

Amazing Alani swam with an angry alligator.

Harper had a hungry horse and Mummy made a muddy muffin.

Faris is a funny boy.

Vinnie the Valiant Viking likes very fast vans.

Resting Rosie rolled the roundabout.

Art in Prep 4

Barney, in Prep 4, has created a digital bug collage in the style of Christopher Marley! What fantastic symmetry!

Maths in Prep 2

Prep 2 have been studying measurements of mass and length in Maths over the last couple of weeks. They have produced posters about different animals and insects, converting the animals' measurements and comparing their size.
